

## Quantum Leaps Lodge Pet guidelines

Quantum Leaps Lodge is a Pet-Friendly Lodge. We honor the fact that people love their pets and wish to bring them along on holidays and weekends. We just ask that you respect the following guidelines so that we can continue to accept pets into the future.

- VERY, QUIET, clean and healthy dogs are accepted
- The guest will supply a valid credit card as security for damages
- A \$20 per pet per night will be charged
- Pets are allowed in the following designated areas only....the main floor kitchen and balcony of the lodge, the basement floor of the lodge, in a kennel, and in both the NP and SP cottages. Dogs are not allowed on the carpeted areas or on any of the furniture.
- If you are leaving your accommodations for any length of time, please bring your pet with you. We are not here to look after your pet.
- Our office is our Cats domain, so we ask you not to bring your dog up to the office area.
- Pets must be attended at all times. The pet owner is responsible to damages caused by the pet.
- PLEASE clean up after your dog. We have no dogs here so any dog poo left on the property is unsightly and considered pollution (we have extra bags available).
- Your pet must be under control at all times and be kept quiet.
- Pets must be kept on a leash in and around the lodge and on the land. Only at the river are you allowed to let your pet off leash.
- At the cottages you may let your pet off leash but please keep he/she in sight at all times.
- If your pet is causing disturbances we may ask you to bring your dog to the kennel just down the road
- If other guests are in the lodge, please respect the fact that they may not be enthusiastic about pets.

Sincerely,  
Annette and Brian and Blooma the cat  
Quantum Leaps Lodge
